

Transit Summer Camp FAQ's

What time will my child leave for camp?

We will all be leaving Monday morning. Your campus Student Director/Coordinator will communicate travel details to you as time varies per location. See the campus contact information below.

What time will my child return from camp?

On Friday morning campers will pack up, eat breakfast, and we will depart from Camp Timberlake at 10am, arriving at each location around noon. Again, your campus director will communicate the specifics.

When is the remaining balance due?

Full payment is due Sunday, June 3 by cash, check, or online at chapelhill.cc/students.

How will my child get to and from camp?

We will utilize several 15 passenger vans operated by approved drivers as well as charter buses.

Who will be taking care of my child at camp?

Let me first say that in my years of leading summer camps I have never once had to deal with a serious conduct issue. The campground is extremely secure. No student is allowed to leave the campground, even under the supervision of a leader. When they arrive on Monday they are there until they leave on Friday.

We will be taking over 10 Transit Adult Leaders and Pastors as camp chaperones. These leaders currently serve with Transit and have background checks on file. There is a plethora of other incredible leaders on the campground that will ensure everyone is safe, cared for, and having a great time.

What if my child has medication?

There is an onsite nurse at camp. We will collect medication at check-in on Monday morning. When we arrive at camp we will turn medicines into the nurse. Students may take their medicine(s) at mealtimes.

**We do allow students who need emergency access to inhalers, epipens, etc. to keep them on their person.*

What if my child has food allergies?

We do accommodate students with special dietary needs such as severe food allergies. These students may bring required foods in a small cooler. The cooler will be stored in the kitchen and arrangements will be made with the kitchen staff for your child to have access to their food and a microwave at mealtimes.

**Please make sure to pack all items necessary for meal preparation. We cannot utilize kitchen tools or ovens.*

Should my child bring extra spending money?

Breakfast, lunch, and dinner will be provided for your child. However there is a Snack Shack where your child may purchase additional food, snacks, and drinks throughout the day. We typically recommend no more than \$20 spending money but leave that to your discretion.

Can my child bring his/her own snacks?

Absolutely! Your child can store snacks with their bag at their bunk.

What does the rooming situation look like?

The guys and girls dormitories are far apart from one another. No boy is allowed in or around the girls dorm and no girl is allowed in or around the boys dorm. The dormitories are single level. There is a large common area that separates four quadrants. Each of the four quadrants is filled with bunk beds housing about 40 students. Each quadrant also has a restroom with 6 showers and 6 bathroom stalls. Transit will have its own quad in both the boys and girls dormitories.

How does swim time work?

Swim time is split by gender and each gender is split into an A and B swim time. The pool is in a secluded and covered area. No boys are allowed near the pool during girls' swim time and no girls are allowed near the pool during the boys' swim time. Full clothing must be worn to and from the pool.

**There is a trained lifeguard on duty at all times.*
