

Women of Valor is a 9-month WOMEN'S DISCIPLESHIP PROGRAM for ladies who are hungry for more of God. Who have a desire to grow deeper in their relationship with Christ and live the abundant life God intended for YOU!

They are not satisfied where they are in their spiritual journey and want more of what God has for them. They are willing to seek God and be obedient to Him to get there. Through the Women of Valor program, women will have the opportunity to join with other women through sharing and accountability. This will be an opportunity for women to walk with other women who are following God's plan for their lives. Women of Valor gives women the tools they need to grow closer to God.
