

MEDS FORM

To expedite the registration process, please put all medicines bottles into a large ziplock bag and write the name of your son/daughter on the front of the bag with a sharpie. For the safety of all students, we require ALL meds to be turned in, prescription or not. Only meds allowed to stay with camper are emergency meds such as an EPI-pen or inhaler.

Student Name

Meds to be taken

When and how much to be taken
